Our fourth match of the year at CCGC started with humid weather in the upper 70s during sight-in, warming up to about 91° with winds being variable from calm to gusty about 10MHP throughout the day. At least the humidity dropped and we spent most of the time shooting from shade. Again, what another great day for a match!

We had a turnout of 10 shooters for the day, scores posted in the table below. Shooters were treated to some new out of this world targets (a space alien) and survived the invasion of the Beatles (a yellow submarine). Beaky the Buzzard (2 versions) challenged them on the standing lane. Hope to see you guy at the next match. Next match will be back on our 3rd Saturday, July 17th. Keep an eye on the CCGCI.org calendar and/or airgunwarriors and airgunnation forums for announcements.

Keep the dates Sept 17th thru 19th open for the Central Carolina Grand Prix weekend. There will be a pistol and a piston rifle match shot on Friday at the same time. This piston match does not count towards the GP points. Saturday and Sunday are the normal GP rifle matches. Registration is open at ccgci.org. There are currently 17 positions filled of the 30 available.
