This was a special fun match CCGC that started with humid weather in the lower 80s during sight-in, warming up to 85° by match start and ending at 90° with a 102° heat index. Winds were variable from calm to gusty about 5 MHP throughout the day. Just enough to be a little bit of a challenge. Again, what another great day for a match!

We had special guests Adam and Pat from Airgun Geek's Podcast on Apple Podcasts with listeners in over 790 cities, in 32 countries, mainly USA & Europe. You can scan the QR code for link to their podcast page or this link <https://podcasts.apple.com/us/podcast/airgun-geeks-podcast/id1550871887>. Pat and Adam enjoyed the match, complemented us on the range and that it was a fun challenge.

We had a turnout of 7 shooters for the day, scores posted in the table below. The #2 Rabbit was most everyone's arch nemesis today. Philip was the only one to get both hits, and two others only get one hit.

Hope to see you guy at the next match. Next match will be on our 3rd Saturday, Aug 17th. Keep an eye on the CCGCI.org calendar and/or airgunwarriors and airgunnation forums for announcements.

Keep the dates Sept 17th thru 19th open for the Central Carolina Grand Prix weekend. There will be a pistol and a piston rifle match shot on Friday at the same time. This piston match does not count towards the GP points. Saturday and Sunday are the normal GP rifle matches. Registration is open at ccgci.org. There are currently 27 positions filled of the 30 available.
