Our August CCGC monthly match started with humid weather in the lower 80s during sight-in, warming up to 85° by match start and ending at 90° with a 102° heat index. Winds were variable from calm to gusty about 5 MHP throughout the day. Just enough to be a little bit of a challenge. Again, what another great day for a match!

We had a turnout of 9 shooters for the day, scores posted in the table below. The #2 Rabbit was most everyone’s arch nemesis today. Philip was the only one to get both hits, and two others only get one hit. Gerald was the only one to clean the standing lane. Will Piatt was the only on to clean the kneeling lane.

Hope to see you at the next match which will be our Grand Prix event. Keep an eye on the CCGCI.org calendar and/or airgunwarriors and airgunnation forums for announcements. Speaking if the GP, there are currently 29 positions filled of the 30 available. If you intend on attending the GP get your registration in. When we hit 30 There is a waiting list available so if there is a cancelation, we will use that list to fill the opening.
