Our fifth match of the year at CCGC started with humid weather in the upper 70s during sight-in, warming up to 91° by match end with a 99° heat index. Winds were variable from calm to gusty about 7MHP throughout the day. Again, what another great day for a match! As Will stated, it was good conditioning for GP matches.

We had a turnout of 8 shooters for the day, scores posted in the table below. We needed to make a last-minute change to the course of fire as one of the targets had a busted and tangled string. To save time and nobody had shot it, we swapped to another target on that lane. The standing lane challenged everyone. Gerald was the only one to get three hits of the four shots. Most everyone did well on the kneeling lane. The #9 rat on lane 5, only Mike and Philip were able to hit it on the first attempt today.

Hope to see you guy at the next match. Next match will be on our 3rd Saturday, Aug 17th. Keep an eye on the CCGCI.org calendar and/or airgunwarriors and airgunnation forums for announcements.

Keep the dates Sept 17th thru 19th open for the Central Carolina Grand Prix weekend. There will be a pistol and a piston rifle match shot on Friday at the same time. This piston match does not count towards the GP points. Saturday and Sunday are the normal GP rifle matches. Registration is open at ccgci.org. There are currently 23 positions filled of the 30 available.
