Remarks:

It was a great day to shoot with partly cloudy conditions and light, gusty but predictable winds made for a great day.

There were a total of seven shooters, with 5 in the Hunter division. Miguel shot a personal best in Hunter (52) to take first, followed by John with a 48, and Philip with a 46. Ed was the sole Hunter Piston shooter and posted a score of 27. Joe won the "longest drive" award and finished with a 35. Will was the sole Open shooter and shot the high score of the day (57). In WFTF, Gerald finished with a 51.

CCGC would like to thank everyone that made it out. The next match was originally scheduled for July 28, but the NC State Championship match will be held that day in Ennice, so the match at CCGC has been cancelled. More info on the NC State match can be found at www.thagc.com. A new CCGC FT match schedule for the remainder of 2018 will be posted soon.
