Central Carolina Gun Club Newsletter

It's already July and the heat, humidity and the rain are upon us!

Things are starting to move at the range, movement behind the scenes is going on and more events are coming up at the range.

We recently surpassed 180 members for the CCGCI. The club is growing faster in numbers than was anticipated and this is really exciting!

IMPORTANT UPDATE: The RSO Class second part is being moved to Sunday, August 4th. The date was conflicting with the regular club cookout and it has been moved.

Trustees Speak Up

In response to some questions posed by members recently, the Trustees have provided this information for us, through Gerald at the June 30th Cookout.

The backboards have recently all been replaced after the storm that finished off both sides of the pistol pits.

If you notice the port-a-potties in poor shape, please let us know. They do come and regularly clean them, but there is a number we can call for additional service for them. You can contact Jed Norris at: jednorris@bellsouth.net

The driveway did get some attention to the drainage, however the continuing recent rains have started to build the rut again. Please do watch as you enter that area until final repairs are complete. Discussions are underway on the best way to take care of this situation to not interfere with the building of the 1,000 yard range by damaging any repairs with heavy equipment.

July 30th Cookout

We are already a couple of weeks into July and the next cookout is only a couple of weeks away! The last two have been great successes and we look to continue to build upon them. Thanks to the generosity of our members with the donations and the food brought to

the events, the July 30th cookout will have all meat provided by the club. All we will need are sides, desserts, drinks, and people willing to help out.

An Event Notice will be placed on the site soon for you to sign up on. Please let us know what you're bringing as well, so that we can make sure that we are getting a good balance!

Change in Trustees

We are all sad to hear that Steve Ireland will be moving from the area for a new employment opportunity. We are sorry to see him go, but he's promised he and his family will visit us at events in the future.

Charlie Nichols will be our new incoming Trustee. He is a Founder Member of the CCGC and has been actively involved in the shooting sports both as a participant and supporter for many years. Charlie shares the vision of building CCGC into the premiere club for this area. He brings a strong business sense that will help our club grow to its potential. He is planning on attending the July cookout this month to start getting to know our members and so that we can talk to him.

Ronnie Beal has recently had some health concerns that were addressed with surgery around the end of June. Ronnie is recovering well and should be back to his cheerful demeanor really soon!

Elections for the Executive Committee

This October will be the elections for the positions of the Executive Committee. If you are interested in being a member of the committee, please send a resume this month to Greg at greg@ccgci.org. Resumes will be posted and nominations made in September for this October. If you are interested in a position we encourage you to be at both the August and September cookouts and the September meeting to be able to speak to the membership about your qualifications and to get to know some of the members.

The meeting for nominations and the elections will be held at

The Olde Forest Racquet Club in

Elon, NC .

They will be held from

4-6:30PM.

The nomination meeting will be on

Saturday, September 21, 2013.

The election meeting will be on

Saturday, October 19, 2013.

Finger sandwiches and snacks will be served. Donations for these will be accepted at the July and August cookout/picnics.

We are still looking and interested in finding someone with accounting experience for the position of Treasurer for the Club. If you have experience and would be interested, please submit your resume to greg@ccgci.org.

A full email with details is forthcoming as will reminder emails as we get closer.

Forums

There is a membership forum on the CCGCI website. If you are looking for current and up-to-date information or have a question, please visit our forums!

Both Ronnie and Gerald have posted there and read them as they get a chance and we hope Charlie will get the chance to as well. Jed Norris, the Rangemaster also frequents the board as do several other members.

Please come and join us there!

Classes ongoing

Jed Norris is currently conducting Orientation and Range Safety Officer classes. Events dates are on the website.

Also Charlie Armentrout and Ed Humburg are holding a Basic Pistol Class again this month on the 20th. Yes, it's getting close, but there's still time to plan to go if you didn't get to the last one!

Thank you to all our members! Please get involved if you aren't now! This is your club and you have the ability to help make it the best shooting club around! It's a great time to get started and involved! You can leave a message on the forums or talk to one of us at the cookouts or other meetings to let us know
