October 2013

A message from the president...

Greetings everyone,

I think I speak for everyone on the newly elected Executive Committee when I say we are all honored, and excited, to have been elected as the first Executive Committee of CCGCI. We all understand that the first Executive Committee is a very important role, and we will help set the tone and direction for the future of the club. There is a lot that needs to be done, and we (the Committee) will need all the help we can get from you, the members.

Over the next month, we will be transitioning from a Board of Trustees to an Executive Committee. Meetings between the two entities to begin this transition have already been set. Our new secretary, Carly Silos, will keep everyone informed about what is going on in the club and at our monthly meetings in our newsletter sent out monthly via email.

If you were at the Annual Meeting on October 19th, you were given a suggestion card and asked to write two suggestions you have for improvements or future developments for the club. Carly has sorted these suggestions, and we are reviewing them at this time. If you were not at the meeting, please do not worry. We plan to give everyone the opportunity to send in your suggestions once we have completed our transition and are settled into office.

As our first official motion we, the Executive Committee, have already discussed the membership dues for 2014 and have decided not to raise them. New member registration dues will stay at \$200. Annual membership dues will stay at \$100. We hope to make this official by voting on this decision at our next monthly meeting scheduled on Wednesday, November 20th. By not raising club dues, our budget will be considerably less for next year unless we all work together to help our membership grow. So please get the word out, and tell everyone you can about CCGCI.

Warmest Regards,
Sam Russell

Club Meeting Location

Our previous meetings have been at the Olde Forest Racquet Club in Elon. The meeting room we had was \$25/hour. With an Executive Committee, it is feasible that our meeting could run longer than that of the previous two. We are trying to locate a more budget friendly venue that is still centralized to the area for everyone's convenience.

If you know of another location that can accommodate around 50 people, if needed, please email Carly Silos at carly@ccqci.org

Please remember to register for club meetings!

Executive Meetings

November 20th will be the first club meeting with an Executive Committee. So we ask for your patience as we try to find our footing in this process. The Committee will open the meeting with a standard protocol and follow the Rules of Order for Association Boards.

As you all can imagine, a plentiful amount of ideas are already piling up. Prioritization is key, but if you have a concern or idea you feel should be addressed before the end of the year, please send a written request for addition to the meeting's agenda to carly@ccqci.org no later than Nov 13th.
