### Receiving too much mail from the NRA?

Simply email them at [membership@nrahq.org](mailto:membership@nrahq.org) or dial 800-NRA-3888 and request to be placed on the "Do Not Promote"list. This will significantly reduce the amount of mail you receive without affecting important mailings, magazine service, or your membership renewal.

## Alamance County Shooting Sports

We are excited to announce that CCGCI is sponsoring the Alamance County 4H Shooting Sports. This is a junior shooting group ages 10-18. They currently have 11 shooters. They will be using the 50-yard bay for practice twice a month. Parents are required to attend training in one of the shooting fields and stay during the practice.

We are still working the background details, but this is yet another step in the advancement of the club and shooting sports!

## Meeting Attendance

We would like to help bolster our attendance numbers for our club meetings. It is important to have membership discussions and feedback. We do understand that not everyone lives in a 10 mile radius of the club. What might peek your interest into making the trip out to the range for a few hours?

Some ideas already: turkey shoot, poker hand, demos...

## CMP Sales

Remember, you can use the club's CMP affiliation number to buy items on the CMP website (Civilian Marksmanship Program). The club's affiliation number is on your membership card.

### Three Golden Rules of Safety

1. ALWAYS keep the gun pointed in a safe direction.
2. ALWAYS keep your finger off the trigger until ready to shoot.
3. ALWAYS keep the gun unloaded until ready to use.
